Submission: This Submission refers to the draft RSES Report.

As a Public Representative for the West, I strongly welcome and support Objectives 115 (a) and 115 (b) of the draft RSES Report which refer specifically to the re-opening of the Western Rail Corridor from Claremorris to Athenry and northwards from Claremorris to Sligo.

I believe the redevelopment of this infrastructure to be vital for the future of our region both from an economic and environmental perspective.
