Name: Clle Gerry Murray, Mayo County Council and The Committee of the Regions Brussels  
E-Mail: gmurray@cllr.mayococo.ie

Submission: In a post Brexit scenario, Britain will no longer be a common transit area, this means that alternative routes to the EU market need to be established. In that context I wish to make the following submission.

It shall be an objective to promote and develop Ireland West Airport (Knock.) as a major transport and logistics hub with rail connectivity to the Western Rail Corridor.
