Subject: Draft Regional Spatial and Economic Strategy

Hello,

As a public representative for the west of Ireland, I welcome and support Objectives 115 (a) and 115 (b) of the draft Regional Spatial and Economic Strategy (RSES) Report which refers specifically to the re-opening of the Western Rail Corridor from Claremorris to Athenry and northwards from Claremorris to Sligo.

Furthermore, as I stated in my National Planning Framework Submission – hyper link attached – funding and improvements needs to be made to other critical infrastructure such as broadband, roads, airports and other rail projects.
