Submission: I would like you to envision the activity tourism potential in 2040 of a greenaway complex linking a Sligo to Athenry Greenway integrated with the West port to Achill, Galway to Clifden, Galway to Athlone, Claremorris to Maam Cross, Collooney to Enniskillen, Enniskillen to Derry and Derry Donegal. Such a network, which is feasible would make the West and North West of Ireland a much more attractive place to live and generate significant additional tourism
